

# HOW DO WE DO THIS?

More than  
**110K people**  
in NI are affected  
by hidden  
homelessness

In 2021, over  
**16K people**  
presented as  
being homeless

Over  
**40K households**  
are on the Housing  
Executive waiting  
list for a home

In 2021, nearly  
**7K households**  
lived in temporary  
accommodation

1. Deliver a Homelessness Co-operation Bill to put inter-departmental co-operation to end homelessness on a legislative footing.
2. Deliver properly resourced, multiyear budgets for homelessness support services.
3. Deliver increased housing supply.
