SWEATERS FOR SIMON

Every day this December another 15 children will become homeless.

Christmas is a time for family, warm pyjamas and cosy nights by the fire. But for thousands in NI, it will be about having no home. Each night this winter, Simon Community NI will provide 369 warm, safe beds for those with no home including families, children and young people.

Help us to bring a little joy this Christmas. Your school can help those facing homelessness by holding a Christmas Jumper Day for Simon Community NI any day in December. Simply ask pupils and teachers to wear their most festive jumper, Santa hat or reindeer antlers and make a donation to help end homelessness.

£100 could provide 10 Christmas Dinners for those who are spending Christmas in our projects.

£150 could provide ten gifts of emergency food, heat or clothes for those who need it most this winter.

£250 could provide ten children with their only Christmas present this year.
